Anders S. Fasth

Spotfire, AB ("SPOTFIRE") a corporation organized and existing under the laws of Sweden, having a principal place of business at:

Första Långgatan 26
413 28 Göteborg
Sweden

desires to acquire the entire right, title and interest in and to the Invention, the Application, and to any patents or inventor's certificates to be obtained in any countries based on the Invention, and any improvements thereon.

THEREFORE, for good and valuable consideration, receipt of which we hereby acknowledge, we:

1. Assign and transfer to SPOTFIRE, its successors, assigns and legal representatives, the entire right, title and interest in and to the Invention and the Application, and all divisional, continuing, substitute, renewal, reissue, and other applications for patents, or inventor's certificates, which have been or may be filed in any country based on the Invention;
2. Agree that the foregoing rights conveyed to SPOTFIRE include all priority rights arising from the filing of the Application, the right to own in its own name the Application and all patents and inventor's certificates in all countries, and other applications for patents or inventor's certificates, based on the Invention, and further the sole right to file applications for foreign patents and inventor's based on the Invention;

3. Agree to execute all documents requested by SPOTFIRE and its successors, assigns and legal representatives regarding the filing and prosecution of all applications for patents and inventor's certificates, enforcement of all patents, and maintenance of all rights in the Invention, patents, inventor's certificates and applications for patents or inventor's certificates based on the Invention;

4. Upon the request of SPOTFIRE and its successors, assigns and legal representatives, and at their expense, regarding the filing and prosecution of all applications for patents and inventor's certificates, enforcement of all patents, and maintenance of all rights in the Invention, patents, inventor's certificates and applications for patents or inventor's certificates based on the Invention, agree to provide to SPOTFIRE and its successors, assigns and legal representatives all information known to or ascertainable by us and all documents and other materials and objects pertaining to SPOTFIRE'S rights in the Invention that are in the possession of or accessible to us; and further, at any trial, hearing, deposition or other legal proceeding where we are called as witnesses by SPOTFIRE or its successors, assigns and legal representatives, we agree to testify to all facts pertaining to SPOTFIRE'S rights in the Invention for which we are competent to testify;

5. Warrant and represent that the Invention is our property, and that we have conveyed no assignment, grant, lien, mortgage, license or other encumbrance affecting the Invention to any other person; that, to our knowledge, no such conveyance exists otherwise; and that we have the full power to convey the rights assigned in this Assignment.
